FMLA/OFLA Employee Checklist

When an employee is absent or anticipates being absent more than three consecutive calendar days for a family-leave need, medical, parental, or family military related reason the District requires that you follow the Clackamas ESD medical leave application process. The District is required by law to determine your eligibility for job-protected leave under the federal Family Medical Leave Act (FMLA) and the Oregon Family Leave Act (OFLA). Per District policy, you have the option to use certain available paid leave during the same time as your FMLA/OFLA Leave.

Do NOT hesitate to contact HR with any questions you may have about the FMLA/OFLA process – we are here to help!

Please use the following checklist when starting your request for FMLA/OFLA leave.

1. □ Turn in all of the following documents, available on the HR webpage, to HR to officially request FMLA/OFLA Leave
   - FMLA/OFLA Leave Request Letter. This form should be submitted to Clackamas ESD Human Resources 30 days in advance of your first expected leave date, except in the case of unforeseeable leave.
   - FMLA/OFLA Paid Leave Order Notice. This form lets the Clackamas ESD payroll department know the type(s) of paid leave you want to use, and in what order while on an approved medical leave of absence.
   - Medical Certification form (WH-380) completed by the attending Health Care Provider. (NOT required for parental leave). You may download this form from the CESD HR webpage. Choose the correct form. One version certifies your own medical condition. The other certifies a family member’s condition.
   - Contact HR to obtain a copy of your job description to attach to the Medical Certification form. (Does not apply to parental leave or when caring for a family member.)

Once all required documents above have been received by HR, the district will determine your eligibility and contact you within five business days with an official designation letter. Do NOT move onto step two until your eligibility for FMLA/OFLA has been confirmed.

2. □ Update AESOP and your Supervisor with your projected leave dates (if known)

3. □ If you are paying a portion of your insurance premium, contact Payroll at 503-675-4066 to make arrangements to continue to make your share of the premium payments on your health insurance to maintain health benefits while you are on leave.

4. □ Continue to turn in time cards while on leave – mark days absent as FMLA/OFLA

5. □ Provide HR with status updates every 30 calendar days

6. □ Provide HR with a fitness-for-duty certificate signed by the attending physician to return to work. You are NOT allowed to return to work until HR has this certificate in hand. (Applies only to consecutive absences due to your own health condition, not parental leave or leave to care for a family member.)
